**Producer Summary:** The Art of Wine series features iconic fine art images. American Gothic by Grant Wood depicts a stern pair: she averts our gaze, whilst he holds it awkwardly. Both high necked and sober in black, their serious long features echo the long lines of the pitchfork held between them. A Gothic church style window, cut into the eaves of their wooden framed house, suggests that the dark ages have been dragged into the new.

**Short Tasting Note:** Blackberry, dark cherry and plum, with a touch of spice and toasted oak.

**Long Tasting Note:** A rich and robust Zinfandel with flavours of ripe blackberry, dark cherry and plum, with a touch of spice and toasted oak.
