**Producer Summary:** The Art of Wine series features iconic fine art images. We are struck by a frustration that we cannot see this man's face. Our instinct, to see that which we can't, compels us to swipe away the apple, which ironically represents the unseen: knowledge, truth, sin. If we could see his face, could we be trusted to judge him fairly?

**Short Tasting Note:** Layers of citrus and pear accented by tropical notes.

**Long Tasting Note:** A fresh and fruity Chardonnay with layers of citrus and pear accented by tropical notes.
